Dear <First Name>,

Tweet, Tweet! As of February 1st, Elixir Specialty Pharmacy is now Specialty by Birdi! You will see the Birdi name on your medication packages and pharmacy communications. Don't worry, we're still the same company and your prescriptions will still be handled by the same experienced and dedicated team—just with a new name!

You don't need to do anything. You'll still get the same great service and you can call us 24/7 at **1-877-437-9012**. We're excited about our new name and our continued commitment to serving you with your medication needs. Thank you for being a Specialty by Birdi customer!
